the ENVIRONMENT"***

**MAY 29, 2020**

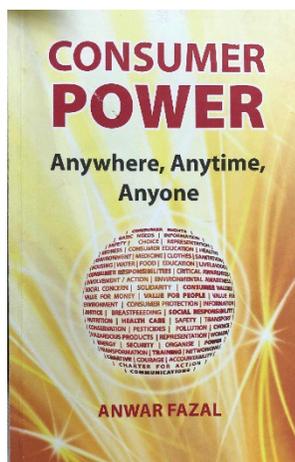

## ABOUT Dato' Anwar Fazal

Dato' Anwar Fazal is a global laureate and leading civil society activist in areas of consumer health, environment, human rights, peace and social ethics. He is often referred to as a “multiversity”, and galvanized the international consumer movement, founding a number of global networks, which he called “a new wave of the consumer movement”. These included Consumer Interpol, International Baby Food Action, Health Action International and Pesticides Action Network. In 1982, Dato' Anwar received the *Right Livelihood* award, popularly called the “*Alternative Nobel Prize*” and in 2008 was appointed as a jury member of the *Right Livelihood Award Foundation*. He was also the founder and Director of the Right Livelihood College, which was established in 2009 at Universiti Sains Malaysia and now has campuses in every continent of the world.

In 2010, Dato' Anwar was awarded the first *Lifetime Achievement Award* by the Federation of Malaysian Consumers' Association on the occasion of the 50<sup>th</sup> Anniversary of Consumers International. He was awarded the “*Consumer Activist of the Year*” award by his home State of Penang and by the Government of Malaysia in 2000. His empowering messages and consultation through the International Organization of Consumers Union (IOCU) as President and through its consultative status with the United Nations, articulated the voice of including New York, Geneva, Bangkok, Mexico and others meet to make decisions on world messages inspire us to join solidarity, the spirit, the strength together for people and planet.
